'We are thinking about the value 'DIVERSITY' this half term...

**Christmas Production Ticket Designs**

Well done to Evelyn and Rose, whose designs were chosen to go on our programmes/tickets this year. Please keep your programme safe, as the programme also acts as your ticket for the performance!

**Christmas Production—Tuesday 12th December**

The next few days are going to be very tiring for the children as they will be concentrating on being 'performance ready'. Please can you keep them wrapped up as we don't want them missing out on their moment due to a nasty cough or cold! Could you also please make sure that they are well rested for Monday, as this is dress rehearsal day and we need them to be singing, acting and dancing at their best!

Please read the Christmas production day letter which was sent out, as this includes everything you need to know about the day!

### Christmas Craft and Carol Singing—Friday 15th December

Don't forget to come a long a little earlier next Friday to see the children do their Christmas Carols on the playground, the Parent's Association will also be selling Christmas treats and the children will be selling their craft, £2 each, after school and on the following Monday in school (if you cannot make it on Friday). All proceeds will go back into sourcing more new books for the school library.

This day is also our **Christmas Jumper Day** (jumpers with normal uniform) and the children can wear festive headgear for the carol singing!

### In the news!

Wrens have made the news, please take a look at the Bromsgrove Standard for an article about their special visitors, which is on page 6!

Pupils from Dodford First School got to meet the Bromsgrove Police Safer Neighbourhood Team. s

### Young detectives help solve the crime

YIBING super-sheriffs from Dodford First School in Bromsgrove got to meet officers from their local police team and have a go at crime-solving.

The reception class has been learning about 'people who help us in the community'. During the visit, the children tried to solve a simulated crime, arresting two suspects who 'caused the damage' and taking them into custody in a prison in their classroom.

The children were then very excited to meet the Safer Neighbourhood Team and learned many interesting facts.

After poor Miss Stanley, the class teacher, was 'arrested', the highlight of the day for the children was to go outside and have a look around the police car and hear its siren.

*Only two more weeks until the end of term, but a very busy two weeks! We are all very excited about our Christmas performance on Tuesday, especially as this really kicks off our Christmas festivities in style! Please keep checking emails and your children's book bags, so you don't miss anything.*

*Have a lovely weekend,*
