Achieve, Believe, Create and Fly High

We are thinking about the value 'diversity' this half term...

Wear it Wild Day! - Monday 5th June

The children are invited to dress up as an animal or in animal print, whether this be a tshirt, onesie, leggings, shorts, cap or hairband etc. We will not be fundraising on this day but raising awareness of the diversity within our animal kingdom and how conservation work is essential, so that this diversity can be enjoyed by future generations. Diversity also links with our school values and British Values.

Year 4 Bellboaters

You should have noticed that all of Year 4 have been awarded the star award this week. This is because they had a fantastic bellboating practice session on the canal at Droitwich. Mrs Eggleton and Miss Burgess were super impressed with how they listened to instructions and picked up the technique, working hard as a team. They paddled for miles and were very tired by the time they got back to school in the afternoon. They are now raring to go to the Regatta!

Mental Health Awareness Week

This year's theme is 'anxiety' and we will be supporting both children and adults within our school community. We will not focus on anxiety but looking at emotions and feelings and understanding that it is natural to feel even those we may consider to be 'bad' ones. Please take a look at the Mental Health Foundation website if you would like to find out more about the work and support they can offer.

The weather has been much kinder to us this week and hopefully summer is on its way! We have attached a newsletter from the Friends of Dodford PTA, highlighting the work they have done recently and their future plans, which I hope you will put in your diaries and support them as they raise vital funds for the school's children. Have a lovely weekend,

Mrs Parkes
