

## Dodford First School KS1

This is how to stay safe when we use computers and mobile devices:

- I will ask an adult if I want to use the computer or mobile devices
- I will take care of the computer and other equipment
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong
- I will turn off the screen and tell an adult if I see something that upsets me
- I know that if I break the rules I might not be allowed to use a computer or mobile device
